

Exchange offer

UNIMET® 810ST

Exchange your used UNIMET® or μ P safety tester and receive a credit of €400.00 (gross) when buying a UNIMET® 810ST!

Our offers – your customer benefits:

UNIMET® from Bender – Universal test systems for medical electrical equipment and general electrical equipment – fast, secure, convenient.

Did we spark your interest? – Please send us a request for your individual offer!

And the best for last... we also accept your test device in payment if it is not a UNIMET®!
Requirement: Your old safety tester can/was able to test according to IEC 62353, DIN EN 62353, DIN VDE 0751-1 and DIN VDE 0701-0702.

Highlights

- Easy-to-use with Windows interface
- High-performance PC module
- Creating your individual test sequences
- Test date management
- Client options
- Visual inspection, electrical test and functional test individually definable
